

Your HealthWallet App Info Guide

Simplifying Care for Concierge Members

Concierge members are unlocking a world of convenience and savings with HealthWallet, the app designed to revolutionize the member healthcare experience. **You can download it now; simply search for "HealthWallet" in your device's app store.** Once you've downloaded it, you'll have the power of HealthWallet in the palm of your hand!

Experience the Ease of TeleHealth

Our telephonic services cover around 70% of primary care needs, even when you're on the road:

- Unlimited access to a national network of providers
- Diagnosis and medication prescriptions in real-time
- Convenient access for busy parents with little ones who require care

Take Control of Costs

The app makes it simple to shop for the best price, both for medical procedures and prescriptions:

- Compare procedure prices from different facilities near you
- Search for prescriptions & compare prices between pharmacies
- Access to manufacturer discount codes for prescription savings

Contact Healthcare Experts

Our network of experts is standing by to answer questions about your health:

- Unlimited access to a network of medical experts
- Text messaging options provide instant care advice
- Work with your provider to determine the best care plan for you
